Summative Grades

Choir is a performance-based class. Participation in concerts and competitions is REQUIRED. We will have three or four concerts per year that count as major grades. Grading is decided by attendance and appropriate participation and behavior.

- If a student needs to miss a concert or competition, please provide Ms. Pineau with written notice up to 48 hours in advance. Valid excused absences include family emergencies and severe illness. The student will be given an alternate assignment to make up for the grade.
- *Please note: If a student does not participate or behave appropriately in class, they will not be allowed to participate in the concert or competition. The student will be given an alternate assignment to make up for the major grade.*

Extra Rehearsals

Extra rehearsals may be scheduled before concerts and competitions. Parents will be given advance notice. These are required.

Discipline

Students are expected to behave appropriately during class and Choir events. Should a student decide to make poor choices, various disciplinary steps will be taken. These steps include but are not limited to In-class warnings, after-class warnings, alternate written assignments, lunch detentions, removal from competitions or trips, removal from concerts, office referrals, and removal from Choir.

Varsity Requirements

NEW for 26-27 School Year: Members of Bella Voce and Tenor Bass are not required to particpate in either Solo & Ensemble or All Region Auditions. We highly encourage these singers to participate, as they are great opportunities to develop musicianship.

Communication

Singers will receive a calendar at the beginning of the year. Parents and students will also receive emails every month or every other month with updates and event details. Students without internet access will be given paper notes to take home.
